

# Mirri Digital INDIGO

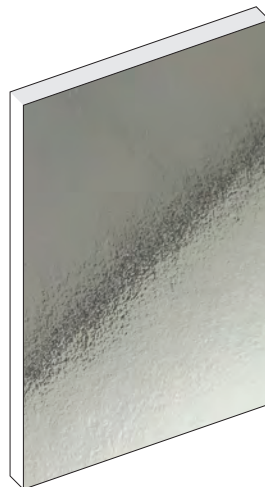

## SPECIFICATIONS:

- Mirrored Surface
- Film laminated to cast-coated board
- Scratch-resistant
- Additional colors (offset)
- Made in England

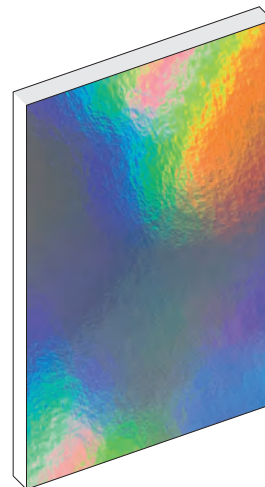

## DESCRIPTION

Mirri Digital is an innovative metallic surface engineered to produce an ultra smooth, mirror-like surface for a wide range of campaigns and products such as packaging, social stationery and gifts, premium direct mail, event invites, promotional items, photo books, and short run book or magazine covers.

Certified for HP Indigo. All weights are 3-star rated for ink adhesion, printability and runability.
